THE CAMPAIGN IS ON.

Who Will Be President?

To form your opinions and keep in touch with the progress of the campaign, you will need first-class newspapers. We have made special arrangements whereby you can get the Daily Courier-Journal or Daily Louisville Times and The Bourbon News from now until December 1, 1908, for \$2.00.

This gives you a live metropolitan paper through the campaign and the election. Order to-day, as subscription will start with issue of day order is received. No back numbers can be sent.

This special campaign offer is in effect only during June, July and August, and no subscriptions will be received at the reduced rate after August 31 under any circumstances.

Send your subscription orders to this paper—not to the Courier-Journal or Times.

Equality of the Sexes.

New Jersey, which recently sent a woman highwayman to jail, has now indicted a man as a "common scold."

He Got What He Needed.

"Nine years ago it looked as if my time had come," says Mr. C. Farthing, of Mill Creek, Ind. Ter. "I was so run down that life hung on a very slender thread. It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one foot in the grave but Electric Bitters put it back on the turf again." Sold under guarantee at Oberdorfer's drug store. 50 cents. June

Harmonious Democratic State Convention Promised.

Lexington is making extensive preparations to entertain the State Convention and no effort will be spared to assure the comfort of every person who attends. The whole city is taking the greatest interest in the matter and all of the details are in the hands of committees composed of representative citizens.

There is every prospect now that the convention will be the largest in the history of the Democratic party in Kentucky. A large proportion of the population of the Blue Grass section easily reached by interurbans and steam railroads will turn out and reports come from every section of the State indicating an unusually large attendance.

One of the most encouraging features of the situation is the fact that there is a disposition in every part of Kentucky for the Democrats to get together, bury all of their fractional differences and unite for a great Democratic victory. The Republican Convention recently held in Louisville was marked by a bitter struggle between the two factions. Nearly half of the seats in the convention were contested. It is now probable that there will not be a single contest in the Democratic Convention to be held in Lexington.

Reliable information from those parts of the State where there was the greatest danger of factional strife is to the effect that the factions are getting together, and the convention now promises to be not only the largest but the most harmonious ever held by Kentucky Democrats.

Encountered Heavy Rainstorm.

The big balloon "Chicago," which left Quincy, Ill., at 6 o'clock Tuesday night, ran into a heavy rainstorm and dropped to earth at a point six miles southwest of Clear Lake. It was in the air eleven hours and made an average speed of seventy-five miles an hour.

"Teddy" Again on Warpath.

The President is said to have started on another campaign against "predatory wealth." First he will attempt to indict the Print Paper Trust; second he will seek to indict financiers whom he believes responsible for the panic that followed his attack on the Standard Oil Company, which he is said to have ordered removed on the belief that the \$29,000,000 fine will not stand the test of the courts.

Taken at His Word.

"Pinch me if I fall asleep," muttered the Stewed Stude as he lurched against the lamp post, and the Proud Minion of the Law proceeded to do as he was bid.—Yale Record.

Ordered Two Depots.

The railroad Commission Wednesday entered an order directing the C., N. O. and T. P. Railway to erect a new passenger and freight depot at Georgetown to replace those that burned several months ago. Capt. J. C. Jackson and F. M. Thomason, representing the Georgetown Commercial Club, appeared before the Commission and urged the action that was taken. The new depots must be such as to meet the approval of the Commission and the Georgetown Commercial Club.
